16 bedroom land for sale

OIRO £1,750,000 Freehold

Description

A captivating ensemble of historic structures includes five currently tenanted converted units. With approved planning permission (Ref: RR/2002/2991/P), the property is poised for further transformation, adding four additional units along with designated parking and gardens. Beyond the converted units, there is a substantial car park and a parcel of land, totaling approximately 1.1 acres, offering intriguing potential.

This charming complex, comprising both leased and yet-to-be-converted units, enjoys a prime location. The existing five units are currently leased under Assured Shorthold Tenancies, generating an annual rental income of £53,340—below the prevailing market rates. These converted units boast gas central heating, parking facilities, and well-maintained gardens, presenting promising opportunities for further development.

The four unconverted units, covered by the granted planning permission, are earmarked for conversion into three 1-bedroom units and one 2-bedroom unit. This endeavor not only promises to enhance the property's overall appeal but also aligns with contemporary living standards. Don't miss the chance to be part of this exceptional property offering vast potential in a convenient and sought-after location.
